Vehicle activated warning signs

Great news about the Vehicle activated warning signs, however I believe the one at the Market Drayton end should be placed before the Muckelton Rd junction. It's an accident waiting to happen. I live on this road and have to dice with speeding articulated lorries every morning and evening to get onto the A53. I also believe the A53 should be a 30mph road through Edgebolton and Shawbury. When I'm trying to get back onto the Muckelton road from the A53 I've had so many close calls with vehicles speeding towards the end of the speed limit and coming very close to running into my car, the worst one was a loaded cattle truck, he slammed his breaks on and you could hear all the cattle falling over, it was awful, he had to stay where he was until the cattle got up again.

News From St Mary's Church

New Starts, New Possibilities

It doesn't seem five minutes since I welcomed St Mary's Primary School to their end-of-year service at St Mary's Church. But the summer holidays are going... going... gone!

On **Tuesday 3rd September**, the school year starts again and our church is inviting all parents and carers (especially those who are new to the school) to a **free coffee morning in the church**. After waving goodbye to your little (and not-so-little) ones at the school gates, please do wander over to the church for refreshments and a chat. We promise to have tissues available for those who are feeling a bit weepy.

As the children go back to classroom education, there's also the opportunity for you to learn something new. If you'd like to know more about the Christian faith, don't forget that our Alpha course starts **Monday 16th September, 7:30pm in Shawbury Village Hall**. I look forward to welcoming you there.

May God's blessing rest upon you. Rich

What Would You Do? Top 5 things people in Shropshire, Telford and Wrekin would like to see improved in local NHS services to help them lead healthier lives.

1)Easier access to treatment and services; 2) Help with making lifestyle choices; 3) Better information about support available; 3) Improved communication around prevention; 5) More training for healthcare staff on conditions such as mental health.

Healthwatch Shropshire and Healthwatch Telford & Wrekin are now recommending the findings of the report to be considered in the development of the local Shropshire, Telford and Wrekin STP plan.

The report, 'What would you do? The NHS Long Term Plan in Shropshire, Telford & Wrekin' can be viewed here:
<http://www.healthwatchshropshire.co.uk/what-would-you-do-nhs-long-term-plan-shropshire-telford-wrekin-report>

A Good Death: Healthwatch Shropshire is asking for people to share their experiences of End of Life Care. For example, did they feel that the care their loved one received was what they wanted and expected? Were they treated with dignity, listened to and their wishes respected? People can let Healthwatch Shropshire know about their experiences by phone 01743 237884, by email enquiries@healthwatchshropshire.co.uk or online www.healthwatchshropshire.co.uk. The more comments received the more influence Healthwatch Shropshire has to improve services for local people."
